

# NEW VERSION RELEASE NOTIFICATION

## REGIS new version release

**Date and Time:**

Monday 26 August 7am-9am

**Event:**

REGIS ([www.regis2.health.nsw.gov.au](http://www.regis2.health.nsw.gov.au)) will have a new version released to the production environment.

**What is the impact to end users?**

A number of fixes have been identified in production and as a result a number of 'hotfixes' have been implemented to address the following:

Internal	Ability to download amendment documents when the study title contains "double quotes".
External	Account lockout message, adding reset password instructions.
External	An 'editor' can now invite a user to view/edit the amendment form.

The following areas have undergone optimisation in relation to system performance (speed):

Internal	General – Recent Items
Internal	Side Menu – Application Lookup – User Lookup
Internal	Homepage – Generic forms title

**Response:**

Business as usual please ensure any issues are reported directly to the REGIS help desk as soon as they arise.

**System support and issues reporting:**

**REGIS Helpdesk: 1300 073 447**

*Please ensure you record the ticket number when you call to assist any follow up contact*
