

Head of Department - Not Supported

For guidance on how to complete and submit the initial site application in REGIS please refer to **Site Application Completing, Requesting Head of Department Support and Submitting**.

How does it work in REGIS?

The site application is submitted to the Heads of Department on completion of the site application by the PI. If all HODs indicate support the application will be automatically submitted to the research office.

If one or more HODs indicate they are unable to support the application the status will indicate,

 **HOD Not Supported**

the applicant may need to take the following action:

- ❖ have further discussions with one or more HODs
- ❖ make changes to the application, or
- ❖ discuss issues with the Research Office.

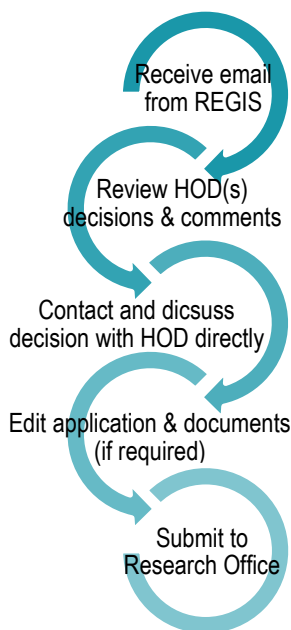

Submitting SSA in REGIS

Step 1: Access the Site application

Accessing application from email link

Click on the link from the system generated email.

Progress to **Step 2b: Review HOD declarations - View Individual decision outcomes and comments**

OR

Accessing from REGIS homepage

When you log in to REGIS, your home page will have a top right-hand gold menu bar with some icons.

Click on the 'Projects' icon to go to the Projects Home page where you can view a list by title and identifier (PID) of all the projects you have access.

Select the project from the list by clicking on the identifier link and the **Project Details** page will open. A list of all the applications associated with the project is displayed.

Step 2: Review HOD declarations

2a. Locate HOD declaration(s)

Click the 'Options' (3 vertical dots) icon located next to the Identifier (STEXXXX) to open the application information menu

Click the **Application information** option to open the Application Details page

2b. View Individual decision outcomes and comments

Select the 'Decisions' option on the left-hand menu

Click the 'Options' (3 vertical dots) icon located next to the Title

Click the 'Decisions' icon to view individual decisions and comments

A Decisions pop up will appear listing each individual decision:

- ❖ User: HOD
- ❖ Decision: Outcome
- ❖ Comment

User	Decision
Weninger, Wolfgang	able to undertake the investigations/services
Loblay, Robert	able to undertake the investigations/services
Twigg, Stephen	able to undertake the investigations/services

HOD is 'unable to undertake...'

You will need to discuss this outcome directly with the HOD. You may need to seek an alternative Department's support.

If after discussion with the HOD there is evidence that the application *will* be

supported, you can update and **submit a new version of the application** or **submit to research office without HOD support**.

Submit a new version of the application.

If you are required to make any changes to the application (changing details, adding or removing HOD) or supporting documents you will need to submit a new version of the application

Return to the **Project Details** page showing a list of the applications.

Click the 'Options' (3 vertical dots) icon located next to the Identifier (STEXXXX). The application information menu will appear.

Click on 

A warning message will appear. Click 'New version' again. You will now be asked to confirm a new version and add application comments, e.g. 'new version to include HOD support requirements'.

Click 'New version' again. The status of the application will now appear as  **In Progress** indicating it can be edited/completed

Update the application. Add, update or delete attachments as needed.

If you are updating an existing document:

Select:

(Participant Information Sheet_Master PISCF_WSLHD - Sexual Health Centre.docx) [\[Open\]](#)

Click  to locate the file on your computer and upload it. Update the descriptor, version or date as required.

To add a new document on the SSA

Use the plus sign at the bottom to add additional documents

1. Select the document type from the dropdown
2. Complete the Document Title. E.g. Main Information Sheet
3. Enter the document version (or 0 if no version)
4. Add the document date (or today's date)
5. Click  to locate the file on your computer and upload it.

Submitting to the Research Office.

Once the application is ready to be re-submitted, select 'Complete SSA' under Part G: Declaration.

The application will be submitted to the Research Office and the status will show as  **Submitted**

If a new Head of Department was added, the application the status of the application will change from 'In Progress' to  **Completed pending HOD**

Only the NEW HOD will receive a notification from REGIS that a site application is ready for their decision.

You will receive an email from REGIS when all HODs have made their decision. If all decisions are supported or supported with conditions the application will be automatically submitted to the research office.

 **Submitted**

Submitting without HOD support.

Discuss this option directly with the research office prior to submitting without HOD support. If this path hasn't been discussed and agreed this may cause your application to be ineligible.

After you have located the decisions you will see the option

Click on this button and complete a justification.

You need to enter the reason why

The application will be submitted to the Research Office and the status will show as  **Submitted**

Once your site application has been submitted:

- ❖ Your application will be assessed for eligibility to be reviewed by the Research Governance Officer. If you have any questions, contact the Research Office at the site relevant to the application.
- ❖ If your ethics application is yet to be approved after you have submitted your site application, the final decision made by the Chief Executive/Delegate can only be made once ethics approval for the project has been received from the nominated Human Research Ethics Committee.
