QUICK REFERENCE GUIDE

Requesting Information

How does it work in REGIS?

Note: this QRG assumes you have already set up your homepage tiles. See [QRG – Research Offices – Setting up a Homepage](#) and REGIS User Manual guide - [Homepage tiles](#).

For details on how to make the Application Decision (approval), RGO Recommendation and CE/Delegate Decision see [QRG - Approvals not associated with meetings](#).

Decision Types

Ethics

Decision Type: More Information Required

Decision:

- ❖ **Approved pending further information** – this option will create the 'more information' form. This option is selected when the HREC or EO requires information before the approval but no changes to the application or documents. *The status of the application will change to "Information Requested"*
- ❖ **Decision pending further information** – Select this option if any changes to the application or document are required. This option will create a new version of the ethics application (HREA) and enable the applicant to edit it. *The status of the application will change to "In Progress"*

Governance

Decision Type: More Information Required - SSA

- ❖ **Recommendation pending further information** – this option will create the 'more information' form. This option is selected when the RGO requires information before the recommendation but no changes to the application or documents.
