

SYSTEM NOTIFICATION

REGIS System Notification

Date:

Thursday 14 May 2020

Event:

System fixes

What is the impact to end users?

A couple of system fixes have been identified in production and have been implemented to address the following:

Meetings and Reviews - Add attendee - User search no longer finds User Groups - RESOLVED 14/05/2020

When adding a User Group to a review or meeting the User search is no longer finding User Groups

Editing a review and saving will trigger the COI notifications – RESOLVED 14/05/2020

When editing a review and saving it, the COI notification is being sent

Reporting - Milestone report tables excluded from schema based on incorrect feature – RESOLVED 14/05/2020

Response:

Business as usual please ensure any issues are reported directly to the REGIS help desk as soon as they arise.

System support and issues reporting:

REGIS Helpdesk: 1300 073 447

Please ensure you record the ticket number when you call to assist any follow up contact
