## Welcome to 2022!

Welcome back everyone. I hope you had a nice break over the holiday period. Our team has started exactly where we left off at the end of last year.....busy and no doubt you have too. We have some exciting projects on the horizon and look forward to working with you all.

James, Yagiz, Jackie, Kylie, Patrick & Corinne.

## Upcoming Releases and System Updates

### REGIS External Portal - Wednesday 16 February

**Audience:** Research Office/Researchers

F1 have updated the external portal of their base product to improve usability. The consultation was completed by a user experience experts in 2021 with a number of REGIS external portal users involved.

The updated format is currently live for a number of F1 clients. REGIS will be bought online on Wednesday 16 February 2022.

[Register your interest](#) in attending a walkthrough webinar that will introduce users to the new look front end.

Can't wait? Here's a sneak peek.

## New Opportunities

**Audience:** Research Office/Researcher

Policy Officer, Enterprise Team, OHMR

**Applications Close: 11:59 pm, Tuesday 25 January 2022**

An full time, ongoing opportunity has been created for a [Policy Officer to join the Office for Health and Medical Research](#) team (crown clerk grade 7/8) during an exciting and innovative time. This role is for you if you want to be part of team delivering high quality policy and programs focused on improving commercialisation outcomes for the NSW health and medical research sector.

The role supports commercialisation and intellectual property portfolio of work, working closely with the Senior Policy Officer and Principal Policy Officer.

For role related queries or questions contact Caitlin Pitt on [Caitlin.Pitt@health.nsw.gov.au](mailto:Caitlin.Pitt@health.nsw.gov.au)

Please forward through any local distribution lists.

Principal Project Officer – Pharmaceuticals Preparation Policy, Chief Pharmacist Unit

**Applications Close: 11:59pm, Sunday 6 February 2022**

A fulltime, temporary to December 2022, position is available for a [Principal Project Officer - Pharmaceuticals Preparation Policy in the Chief Pharmacist Unit](#) (crown clerk grade 11/12). The role will be responsible for developing policies and procedures for the safe preparation of pharmaceuticals, investigational medicines and advanced therapeutics products in research and clinical service settings, within the NSW health system.

For role related queries or questions contact Judith Mackson on 0411145562 or [judith.mackson@health.nsw.gov.au](mailto:judith.mackson@health.nsw.gov.au)

Please forward through any local distribution lists.

## Research Office Contribution

HNELHD HREC Guidance Document for Researchers (from 14 December newsletter)

**Audience:** Research Office

The Hunter New England Research Office has released a guide to assist researchers when completing the Human Research Ethics Application (HREA). The project was led by the Deputy Chair of the Hunter New England HREC and the final document was endorsed by the Committee. The guide is available on the [HNE Research Office website](#) and the HNE Research Ethics Team is happy to share it with other offices.

## Who's next?

How is your office reaching out to your local research community? Are you holding online or face to face sessions? Do you have a newsletter? Have you created any support resources?

Share these things with your colleagues, I can guarantee there other research offices that would love to know what others are doing.

If your office is doing anything that you would like to share, please send it through to [regis@health.nsw.gov.au](mailto:regis@health.nsw.gov.au).

## Previous Versions of REGU/REGIS Newsletter

**Audience:** Research Office/Researcher

All previous version of the fortnightly email are available from the REGIS website: <https://regis.health.nsw.gov.au/news-and-events/regis-office-webinars/>
