Thank You - 2022 Q1 Data Cleaning

Audience: Research Office

The REGU team would like to thank the Research Offices for their effort cleaning data for 2022 Q1.

Out of more than 1000 records (over 3000 fields) in Q1 2022, there were only 8 incomplete data fields. Thank you for your time and effort that makes it possible and thank you to the REGIS team for their assistance too.

The REGU team will be in touch with the Research Offices and strive to get the draft Metrics reports to you over the coming weeks.

Dashboards Feedback and Update

Audience: Research Office

REGIS Dashboards Feedback

Over the last 18 months a number of released a number of Dashboards. These include, but are not limited to:

- Ethics Dashboard - Manage Approved Ethics applications
- Site Dashboard - Manage Authorised Site applications
- Current Head of Department - Manage changes of Heads of Department
- NHMRC - Manage HREA questions and responses
- Privacy Commission - Manage HREA questions reportable for Privacy Commissioner
- REGIS Live Dashboard - Manage active pre Approved / pre Authorised applications
- Quarterly Metric Data QC - Manage quarterly Metrics data quality

The REGU/REGIS team are seeking your feedback on these dashboards or static reports that you have been using to assist your day to day business processing. We encourage all feedback as this will allow continuous improvements in order to provide you with features that best suit you and your Research Office.

Remember! If we do not receive feedback, we cannot continue to improve the dashboards so we would appreciate if you could spend a few minutes to [complete this short survey](#).

REGIS Dashboard update

Due to a number of requests from Research Offices, the existing **Ethics Dashboard** has had a minor update.

Ethics Expiry date **Filter** and **Detail** are now available, we hope by having a better reporting system, RGO and Ethics Officers can spend more time in processing applications and allow better quality of research in NSW.

System withdrawal

Audience: Research Office

With the improvements to dashboards and data granularity Research Offices better able to actively manage their applications. The widely unpopular 30 day automatic withdrawal of applications will be retired.

We will be providing full detail of timeframes and resources in the next newsletter.

Research Office Contribution

“The ISLHD Research Governance Unit Restructure: Viva La Revolution or a Common Sense Approach ?” - Lunch & Learn

Audience: Research Office

ISLHD were scheduled to present some great work they have been doing in their Research Office, but it wasn't to be.

Luckily they are still wanting to share so we are very happy to host this session.

Interested in attending? Great! We will send out an invitation to all Research Offices when we have locked in the details.

Can't wait? Give the team a call and have a chat.

Who's next?

How is your office reaching out to your local research community? Are you holding online or face to face sessions? Do you have a newsletter? Have you created any support resources?

Share these things with your colleagues, I can guarantee there other research offices that would love to know what others are doing.

If your office is doing anything that you would like to share, please send it through to regis@health.nsw.gov.au.
