- **OHMR REGIS REGU YouTube Channel**
- **Research Office Contribution**
- **Upcoming Events and Dates**
- **Previous Versions of REGU/REGIS Newsletter**

Podcast - Clinical Trials in Focus

Being Audit Ready

Audience: Research Office/Researcher

[Clinical Trials in Focus](#) explores clinical trials in NSW and Australia, to help you better understand the procedures and processes involved. Each episode will feature trials experts from across NSW as they discuss different aspects of clinical trials.

The series is produced by Sydney Health Partners, Maridulu Budyari Gumal (SPHERE) and NSW Regional Health Partners and aims to enhance clinical trials capacity and capability across all three centres.

OHMR REGIS REGU YouTube Channel

Audience: Research Office/Researcher

[OHMR REGIS REGU YouTube videos](#)

Did you know that the OHMR REGIS and REGU team has a YouTube channel with a range of training, walkthrough and guidance videos? The best way to get notifications of new and updated videos is to subscribe!

The REGIS team is currently reviewing and updating guidance videos and the YouTube channel, where the new videos will be uploaded. We will also be linking these videos in the [Quick Reference Guides](#) and [Training Content For Users](#) sections of the REGIS website.

We are also working on creating playlists for easy viewing, [click here](#) to check out one that has been created for Researchers on how to create their human research projects in REGIS or watch it here [📺](#)

Research Office Contribution

We did not receive any contribution from Research Offices for this issue but that is ok!

Don't be shy! This is a great platform to let other offices know what you and your team are doing and to share any knowledge!

Who's next?

How is your office reaching out to your local research community? Are you holding online or face to face sessions? Do you have a newsletter? Have you created any support resources?

Share these things with your colleagues, I can guarantee there are other research offices that would love to know what others are doing.

If your office is doing anything that you would like to share, please send it through to regis@health.nsw.gov.au.

Upcoming events and dates

Audience: Research Office/Researcher
