August 2022

In this issue

- **NEW REGIS Functionality - Transfer a NMA approved Ethics application into REGIS (or NSW authorised SSA)**
- **Multi-Jurisdictional Multi-Party non-Clinical Trial Collaborative Research Agreement**
- **(BYO) Lunch & Learn: Reintroduction to REGIS Dashboards**
- **Research Office Contribution**
- **Upcoming Events and Dates**
- **Previous Versions of REGU/REGIS Newsletter**

New REGIS Functionality

How to transfer an NMA approved Ethics application into REGIS (or a NSW authorised SSA)

Audience: Research Office/Researcher

REGIS has introduced functionality to allow the import of an external NMA approved HREC Ethics without having to manually create and process the application. This functionality also allows NSW authorised SSAs to be imported into REGIS (ideal for the last of the studies that didn't make the migrations).

[Click here](#) to see a short walkthrough video of this new system functionality.

The Quick Reference Guide for this new functionality will be uploaded on the [REGIS QRG page](#) shortly.

Multi-Jurisdictional Multi-Party non-Clinical Trial Collaborative Research Agreement

Audience: Research Office/Researcher

Multi-Jurisdictional Multi-Party non-Clinical Trial Collaborative Research Agreement has been published on the [Department of Health and Aged Care website](#)

The Multi-Jurisdictional Multi-Party non-Clinical Trial Collaborative Research Agreement was endorsed by all jurisdictions at the Clinical Trials Project reference Group meeting in April 2022 following extensive consultation across the research sector. This template agreement is non mandatory and follows the model of the Medicines Australia and Medical Technology Association of Australia suite of clinical trial research agreements.

This agreement is designed to offer the non-clinical trials research sector the efficiencies realised in Australia when nationally accepted clinical trials contract templates were introduced.

Please note that any change to any of the clauses shall be made between the contracting parties and their respective legal counsel in Schedule 1. Changes to clauses in this agreement will not be reviewed by the Southern Eastern Border States (SEBS) panel.

(BYO) Lunch & Learn: Reintroduction to REGIS Dashboards

Audience: Research Office

This webinar is for Research Offices only and will focus on dashboard functionality (within the Internal Portal)

A BYO Lunch & Learn webinar will be held on 26 August from 11:30am - 12:30pm to reintroduce Research Offices to the REGIS dashboards. The webinar will be run by Raul, REGIS Onboarding and Support specialist and Patrick, REGIS Technical SME.

We strongly encourage all Research Offices to attend this webinar where you will be taken through the following dashboards functionalities and how to utilise them for your day-to-day work;

- Ethics Dashboard
- Site Dashboard
- HOD Dashboard
- REGIS Live Dashboard and;
- Milestone Dashboard

You will also be taken through test scenarios and how best to utilise the dashboards available in REGIS. We will have a Q&A session at the end.

A meeting request will be sent to all Research Offices shortly.

Research Office Contribution

What are the types of things that are worth sharing?

- Has your team introduced a new processes to streamline work?
- Any Research Office events held
- Ideas for building Research Office/Researcher relations
- Case study's of issues identified and how your team worked through it

It's not big noting and it's not telling other Research Offices how to suck eggs, it's just sharing.

Upcoming events and dates

Audience: Research Office/Researcher

26 August - BYO Lunch & Learn: Reintroduction to REGIS Dashboards Webinar 26 August 11:30am-12:30pm
