REGIS Product Change Deployed!

Audience: Research Office/Researchers

The REGIS product change was deployed this morning, Wednesday 22 November 2023.

To assist with the changes, the eHealth REGIS team have created a short walkthrough video (see below) and [release notes](#) and will be conducting a Q&A session on Wednesday 29 November 2023 for research offices as the majority of changes will be to the internal portal.

Policy Officer and Data Analyst: OHMR, Research Ethics and Governance Unit

Audience: Research Office/Researchers

Do you have highly developed data analytics skills? Have you ever wanted to play an integral role in producing performance data to improve the NSW Health System? Well, this is the job for you!

This role combines a policy background with a data analyst focus to help assist with the improvement of research ethics and governance performance metrics. You would have a skillset in data analytics and are passionate about problem solving, learning and applying your skills in data cleansing, wrangling, manipulation and visualisation/analysis.

If you feel like this role is the right fit for you, read further about the [full Role Description here](#).

*For role related queries or questions contact Dr Yagiz Alp Aksoy on Yagiz.aksoy@health.nsw.gov.au and quote **REQ447688***

Research Office Contribution

JHFMHN - Nothing this time, we look forward to hearing from you soon though!

*Up next is **TAS Health!** We look forward to your contribution for **Issue 21 - 28 November 2023***

Researcher/Coordinator Contributions

Are you part of a research team that has created some great resources or worked through an issue or teamed up with your Research Office to streamline a process? We know this newsletter is going out far and wide AND we also know YOUR colleagues would love to hear what you've been doing. Feel free to send in a short blurb about what you're up to and we'll sing your success from the rooftops!
